fold

1. Place material right sides together.
2. Sew the two long edges up to 1 1/2:" from the top Unless the material is on a fold. Most of the material we are supplying will have a fold. You will only have to sew an L shape. See below.
3. Slit open the **B** top down 1 1/2" and zigzag to prevent fraying.
4. Fold down and sew for a 1 1/2" hem on both sides, for the cording and drawstring. Figure 3
5. Cut 2 pieces of 60" of cording/strapping coordinating colour. If the cording frays tie a tiny knot or burn edge with candle.
6. Double string the bag. Stick two ends go the corner C and two ends to D
7. Turn the bag right side out, take the cut ends and stick them into the corner turn back inside out and sew the corner on an angle to secure the ends Do the other ends and other corner. FINISH
8. If you have the 6" piece for outside pouch, you must sew three quick stitches see above.

Thank you for helping us.
We need approximately 20,000 bags each year.
